MAXIMO

Wednesday 16 March, opening 5 - 9 pm

16 March - 5 April 2022

Antonio Battaglia Gallery is pleased to present a preview a selection of recent works by the Italian sculptor Maximo Pellegrinetti (Viareggio, 1960).

Maximo uses marble with its different characteristics; colors and veinings of this ancient and precious material are protagonists. In the series of *Paesaggi* and *Censure* he works on them in an essential and efficient way through sculpture, painting and photography.

The image of the Tuscan artist is poetic and conceptual.

Maximo lives between Pietrasanta and Milano where he teaches Marble techniques at Brera Academy of Fine Arts.

The exhibition is a preview of the beginning of the collaboration between the artist and our gallery. A wider solo show will be organized in autumn in occasion of public exhibition in different places at Civic Museums of Pavia.

Opening hours: Tuesday / Friday 4 - 7, 30 pm

Saturday 11 am - 1, 30 pm / 4 - 7, 30 pm
